numo

numo: outstanding design and innovative technology

numo combines award-winning, timeless design with an innovative, exceptional movement mechanism. Sitting on the numo for work or just relaxing keeps you in motion in style: at home at the dining table or in the living room just as well as in the office, meeting rooms or even outside on the outdoor models with skid base.

BASE

The perfect base: you can choose between skid base, oak wooden legs or 4-star-base on glides or rollers.

SEAT CUSHION

More than just a fashion accessory: ergonomic shape, exactly matching colour or as a contrasting eye catcher.

KINEMATICS

A sophisticated movement mechanism: the numo follows your natural movements backwards and forwards.
